Oh sister down on the floor  
Enemy is at your door  
She stood during her civil war

I won't go until I stand alone  
I won't go  
I won't go until I stand alone  
I won't go  
I won't go until I stand alone

So, when my back is to the wall  
During the relentless squall  
I can hear her morning's call

I won't go until I stand alone  
I won't go  
I won't go until I stand alone  
I won't go  
I won't go until I stand alone

Yeah

Stand Alone So  
I won't go  
I won't go until I stand alone (2x)

Yeah

And when the storm breaks  
and when the earth quakes  
you make the humor last  
tied to the ship's mast  
your storm will soon pass  
standing alone you won't be there

I won't go until I stand alone  
I won't go  
I won't go until I stand alone  
I won't go  
I won't go until I stand alone

Stand Alone  
I won't go  
I won't go until I stand alone (2x)
