When the night fills my song- Bedouin Soundclash

I'm on the rocky road  
Heading down off the mountain slope  
And as my steps echo echo,  
Louder than before  
Another day is done,  
Say goodbye to the setting sun  
See what i found,  
Turn back to the ground  
Just like before

And Hey hey hey hey hey  
Hey beautiful day, hey beautiful day  
Hey hey hey  
Hey beautiful day, hey beautiful day  
When the night fills my song  
I'll be home, I'll be home

Into the undergrowth,  
Twist and turn on a lonely road

In the twilight  
The day turns to night  
And i'm alone  
And when the light has left  
I'm not sure of my every step  
Follow the wind that pushes me west  
Back to my bed

And Hey hey hey hey hey  
Hey beautiful day, hey beautiful day  
Hey hey hey  
Hey beautiful day, hey beautiful day  
When the night fills my song  
I'll be home, I'll be home

When the night fills my song  
I'll be home, I'll be home  
When the night fills my song  
I'll be home, I'll be home
