I Said Julia, Julia  
Why Don't you come down to the street and talk to me  
yeah  
Because I know You've got Class and You've sure got  
some style  
now Julia

Now you know that I could never tell a lie  
baby,  
yeah, You know that I could never tell a lie,  
I won't make you cry and I'd die for You, Julia

now you know that I wanna hold your hand,  
baby,  
You know that I wanna hold your hand  
I wanna take you by the hand can't you understand  
Julia

(Chorus)  
I Said Julia, Julia  
Why Don't you come down to the street and talk to me  
yeah  
Because I know You've got Class  
and You've sure got some style now Julia

Now you know you know that we could walk alone in the  
sand,  
I'll whisper sweet nothin's like I wanna be your man,  
You say you don't understand, Julia  
Now you know that we could look up to the stars  
We could look at the world, and it could be ours  
You say you don't understand, Julia

(Chorus)  
I Said Julia, Julia  
Why Don't you come down  
to the street and talk to me  
yea  
Because I know You've got Class and  
You've sure got some style now Julia

Now you know that I wanna hold your hand,  
baby,  
You know that I wanna hold your hand  
I wanna take you by the hand can't you understand  
Julia

Now you know that I could never tell a lie  
baby,  
You know that I could Never ever, ever tell a lie,  
I won't make you cry and I'd die for you,  
Julia

(Chorus)

I Said Julia  
Stay away from those rude boys, stay away from those  
rude boys, Julia
