Chorus

The world doesn't need another love song, baby
But I'm writing one for you
Cause I'm in love with your smile
And every little thing that you do

Verse 1

I love the way you look when you first wake up
And I love how we can never be quite close enough
It comes to you and our love
You know I'll never give up, I'll never give up
And I said

Chorus

Verse 2

I love the way you sit and play with your hair
And you belt out country music like you just don't care
Love the way it feels to hold you close 'till the morning
'Till the sun come up
I said

Chorus

Bridge

I'm never, ever, ever gonna stop loving you
But if you feel the need to leave
You know I'll be down on my knees
Beggin' you please baby please won't you stay, won't
you stay here with me

Solo

Verse 1 Repeats

Chorus

End Chorus

I said, I said, I said
The world doesn't need another love song, baby
But I'm writing one for you
Cause I'm in love with your smile
And every little thing that you do
Every little thing that you do
