Verse 1

Well come on baby talk to me
I could be the man of your dreams, yeah
Well I don't have much money, no fortune or fame
But I was hoping that you'd let me love you just the
same
I'm singing, come on baby
Don't you say maybe tonight

Verse 2

Well, I've had this thing for you since the day we met,
yeah
I've been trying to think of something good to say,
haven't found the right words yet
Well I could buy you flowers, diamonds and pearls
If I could only afford them girl
I'm singing, come one baby
Don't you say maybe tonight

Bridge

I'm tired of looking at you from a far
Well I try and run away but when I close my eyes there
you are
I tried wishing on a shooting star
But my wishes haven't come true so far
Cause I'm still singing
Come on baby, don't you say maybe tonight

Solo

End Verse

Well I could buy you flowers, diamonds and pearls
If I could only afford them girl
I'm singing, come one baby
Don't you say maybe tonight
Well I could buy you flowers, diamonds and pearls
If I could only afford them girl

I'm singing, come one baby
Don't you say maybe tonight
