Verse 1

Across the sea

The girl of my dreams lives across the sea
So very far away from me
I know that it's crazy why should I try
It's just to my heart I could never lie
And to you I can only be true

Verse 2

I long to be in our embrace
And in my dreams you know I can trace
The lines of your face
So close to you I would stay
And hold you tight until my dying day
Cause I know you're the one

Chorus

And when you have to go
You know that I'm gonna cry
And when you have to go
You know that I'll be dying inside
And all I wanna ask you to do is
Stay please never go away
And all that I want to ask you to do is
Stay

Verse 3

My love for you grows every day
And in every possible way
I'm falling for you
When I hear you laugh, when I hear your voice
It's clear to me that I have no choice
Forever I'd wait for you

Chorus

Bridge

Don't say goodbye, cause I don't wanna be alone
I wish that you were here with me and I said
Don't say goodbye, cause I don't wanna be alone
I wish that you were here with me tonight and
Don't say goodbye cause I don't wanna be alone
I wish that you were hear with me
And when

End Chorus

And when you have to go
You know that I'm gonna cry
And when you have to go
You know that I'll be dying inside
And all I wanna ask you to do is
Stay please never go away
And all that I want to ask you to do is
Stay please never go away
And all that I wanna ask you to do is
Stay
