#### Chorus

No Ami allowed in the clubhouse  
Cause shes the coolest girl I know  
No Ami's allowed in the clubhouse  
When all the other girls ask I say No

#### Verse 1

Is it in the way she smiles  
Is it in the way she combs her hair  
Is it in the way that she really doesn't care  
Even when I see her underwear

#### Chorus

#### Verse 2

Is it because she talks to me  
Is it the way she says we're gonna be on TV  
Maybe it's because she pretends to like our songs  
She'd sing along but she'd get all the words wrong

#### Chorus
