Verse 1
Walkin downtown looking for the pieces
Of my broken heart
And the streetlights shine down, but they're not helping
I was ready to give up, ready to lay down, roll over and
die
That is until you came into my life

Chorus
I wanna thank you, for being the love of my life
I wanna thank you, for helping me through the lonely
nights
I wanna thank you, for making everything alright
I wanna thank you, for being the love of my life

Verse 2
Now I wonder when I'm gonna wake up
From this dream
The dream that brought you here to me
Could it be that you're the girl who walks next to me
And one day I hope to meet the person, who brought
you here to me

Chorus

Verse 3
Now I love you isn't good enough, it isn't good enough
to say
It isn't good enough, it isn't good enough, no way
I wish there was a word, I wish there was a phrase
That could accurately say what I want to say
But until that day, I love you's gonna have to do

Chorus

I wanna thank you (5x)
