Verse

We could walk along the boardwalk way,
a couple of hours with nothing to say,
Who needs words anyway,
on our perfect day

We could walk under the sky so blue
And every word that we said was so true
Bump into some old friends too
On our perfect day

Chorus

Wont you come out and play
on our perfect day
On our perfect day

Wont you come out and play
on our perfect day
On our perfect day

Verse

At the bus stop we will meet
A and Us is where well eat
Playing the summer heat

Well watch a kite flying so high
Paruse the shops as we walk by
Having fun and not asking why
On our perfect

Chorus

Bridge

Thell be no problem to find
We can leave our worries behind
Thell be no need to unwind
on our perfect day

Verse

Walk around no where to go
Time to let the champagne flow

How you feel ill never know
On our perfect day
Never want this day to end
I'm happiest with you my friend
Who knows what's around the bend
On our perfect day

Chorus
