was just walking along, I wasn't feeling alright  
"Ska Saved My life"  
And I didn't know if I was going to make it though the  
night  
"Ska Saved My life"  
well than I heard that song playing on the radio  
"Ska Saved My life"  
so I cranked up the volume and I blasted though the  
stereo  
"Ska Saved My life"

I heard it on the radio  
Than I took it to the dance floor  
People they always ask for more

Chorus  
Move your feet yeah  
To the beat yeah  
Move your feet yeah  
To the beat yeah

Well I was nodding my head and I was swinging my  
arms  
"Ska Saved My life"  
And Bob Marley said when the music hits it never do  
you no harm  
"Ska Saved My life"  
I was moving my feet to the dancing beat  
"Ska Saved My life"  
Why don't you come over here girl and shake what your  
mama gave you  
"Ska Saved My life"  
Chorus

Bridge  
I wanna testify!  
I wanna testify!  
I wanna testify!  
I wanna testify!

Well Jamaicans in the 50s they were listening to R&B

"Ska Saved My life"

Well Mento and Calypso they were both on the scene

"Ska Saved My life"

Desmond Decker was singing and the Skatalites were swinging

"Ska Saved My life"

I only know one thing and that ill never be the same because

"Ska Saved My life"

Chorus x 3
