Chorus

So long it's been fun
A year and a half and now we're done
It's alright, it's ok
Save your tears for another day

Verse 1

We played our first show at a local high school talent
night
It was supposed to be a joke but people
Cheered until we left the stage
We carried on, we only knew three songs
Playing Brad, Chalkboard and Late
All day long

Chorus

Verse 2

And the next thing you know we're playing show with
Supernova
Playin' with bands like Circle K and The Smegheads
Until they went away
And now we're done, we've had our fun because
You know we were never that good anyway

Chorus (5x)
