Verse 1

Now's the time to speak your mind about anything (4x)

Chorus

I didn't want to hear what you had to say
I don't give a fuck about
Your opinions anyway

Verse 2

You say I'm trendy, I didn't know I had a style
You say I'm dirty, well I shower three times a day
You say I'm angry, well what the fuck are you talking
about
You say I'm crazy, only every other day

Chorus

Bridge

I know that you are just looking out
For what is best for me
But did you ever think that
What's best for you, isn't what's best for me
I think it's time to let go of the leash and
Just let me go
Why are afraid to let me go

Chorus
