#### Verse 1

Why do you look in the phone book  
For your love  
Why don't you come down to the street and talk to me,  
yeah  
I won't talk to you mean, I won't talk to you rough  
I won't ask if you're walking around in the buff  
And I won't charge you \$2.99 a min  
For my love

#### Chorus

I said hey you won't you tell me your name (4x)

#### Verse 2

After three weeks of throwing rocks  
At your window  
You finally agreed to go out with me  
So we stay and stared at the moon  
And you asked if I had anything better to do  
When I said no you said come to my place

#### Chorus

#### Verse 3

When I got through the door  
She pushed me down to the floor  
She said after tonight you won't be a little boy no more  
Well out came the whips and out came the chains  
And I only wanted to know your name, shut up she said  
Or I'll make you bleed, I'll make you bleed

#### Chorus
