#### Verse 1

What is wrong with grils these days  
They all go out with the wrong guys  
They always pretend that they'll stay  
Give 'em room and they will fly

#### Chorus

Need someone to talk to, someone who cares for you  
And understands  
Someone who likes you for who you are  
Someone to hold your hand

#### Verse 2

Nice girls go out with assholes  
They must be blind, cause they can't see  
Forget the cool guys cause, they don't love you  
Find somebody who will treat you like a queen

#### Chorus

#### Verse 3

Cool guys, only use you for their image  
So when they come, just turn the other way  
They can never truly love you  
Cause most of them are probably gay

#### Chorus (2x)
