[Incomprehensible]  
When the moon came up  
And the sun went down  
All I could see was a national frown  
Pounded from flesh  
And harder than steel  
Pretty in pink that's just how I feel  
Leave me alone 'cuz I'm my best friend  
If you wanna be with me, I'll be there till the end

Till the end of time and time ,again  
Just leave me alone 'cuz I'm my best friend  
Yeah, yeah  
'Cuz I'm my best friend  
'Cuz I'm my best friend

All I got is might and will  
If all I got is might and will  
I can't slow down, 'cuz down we'll go  
Where I step you don't wanna know  
Round and round and round, we'll go  
Where I step is where I wanna go

Go, go, go, go  
Go, go, go  
Where I wanna be is where I wanna go  
Lofty thoughts and high ideals  
Lofty skirts is what appeals  
This baby is no baby Ruth  
He was too smart for her  
She was so damned cute  
I'm sick and tired, I can't be late  
I'm so damn mad, I can't keep straight

Time and time and time again  
Leave me alone 'cuz I'm my best friend, yeah  
Leave me alone 'cuz I'm my best friend, yeah  
I'm my best friend, yeah  
I'm my best friend, yeah

I'm my best friend, yeah  
I'm my best friend, yeah

I'm my best friend, yeah  
I'm my best friend, yeah  
I'm my best friend, yeah
