You've been pullin', you've made it easy
You've said [Incomprehensible]
Now I can't hold on to these words
Don't mean that much to me

Feel out in cold
No one to turn to
There's no way out
Just can't hold on

It's my sunset
My sun will set

Never thought it's come to this
Now it seems the only way to do it right
Never thought it'd come to this
Just can't hold on

Feel out in cold
No one to turn to
There's no way out
Just can't hold on

Well, it's my sunset
My will sunset

Well, it's my sunset
My sun will set
My sunset
My sun will set

I've been gone, gone, gone
Can't hold on
I've been gone, gone, gone
Can't hold on

I've been gone, gone, gone
Can't hold on
I've been gone, gone, gone
Can't hold on

I've been gone, gone, gone

Can't hold on
Gone, gone, gone, gone
Can't hold on
