Yeah

Yeah

Hey, little ladies  
There's some cool young dude  
Just standin' in line  
And waitin' for you

There's a girl in the corner  
With a jacked up dress  
She's got legs for miles but  
But her face looks a mess

There's always something for everyone  
But love can be suicide  
Oh yeah yeah yeah  
It's just what you've been waiting for  
And I know it can't be denied, yeah

Can't stop fallin' into love  
What's my heart been dreamin' up  
Who's that fallin' into love  
Is it you I'm thinkin' of

Hey rock 'n' rollers  
What's happenin' with you  
You've got the itch  
Well I've got it too

It's hard to be a winner every time  
But I know you can take it  
You can make it all right

It's time that you just can't hide  
But I can't control myself  
Oh no no no  
I know what you've been waitin' for  
'Cause love can't be denied, yeah

Can't stop fallin' into love  
What's my heart been dreamin' up  
Who's that fallin' into love

Is it you I'm thinkin' of

There's always somethin' for everyone  
And I know what you mean in my eyes  
Oh, yeah yeah yeah  
I just can't control myself  
And I fall for it every time, oh yeah

Can't stop fallin' into love, yeah  
What's my heart been dreamin' up  
No matter what I think or do or say  
Hey, I keep fallin' into love

I can't stop fallin' into love, yeah  
What's my heart been dreamin' up  
Who's that falling' into love  
Is it you, girl, I'm thinkin' of

I can't stop fallin' into love  
What's my heart been dreamin' up  
No matter what I think or do or say  
Hey, I keep fallin' into love

I can't stop fallin' into love  
Every [Incomprehensible] I see gets the best of me  
Who's that falling' into love
