I've been waitin' every night after school
For five long years, five long years
I'll keep waitin' there for five nights a week
'Cause I am no fool

Ooh rockin' and a rollin'
Reelin' till the break of
Ooh reelin' and a rockin'
Rolling till the school breaks down

I'm thirty but I feel like sixteen
I might even know your daddy
I'm dirty but my body is clean
I might even be your daddy

Ooh reelin' and a rockin'
Rollin' till the break of
Ooh reelin' and a rockin'
Rolling till the school breaks

I like you, will you like me? Yes
Sorry but I'll have to grab you
You look better completely undressed
Sorry but I'll have to have you

I like you, will you like me? Yes?
Sorry but I'll have to grab you
You look better completely undressed
Sorry but I'll have to have you

I'm thirty but I feel like sixteen
How would you like some of candy?
I'm thinkin' more than a kiss
With me, spank me, grab me
Grab me, grab me, grab me
