Well you know I can be found
Sitting all alone
If you can't come around
At least please telephone

Don't be cruel to a heart that's true

Baby, if I made you mad
For something I might have said
Please forget my past
The future looks bright ahead

Don't be cruel To a heart that's true
I don't want no other love
Baby, it's just you I'm thinkin' of

Don't stop thinkin' of me
Don't make me feel this way
Come on over and love me
You know I want you to stay

Don't be cruel to a heart that's true

Let's walk up to the preacher
Let's say, "Hey, I do"
And then I know you'll want me
And you'll know I want you too

Don't be cruel to a heart that's true
I don't want no other love
Baby, it's just you I'm thinkin' of

Don't be cruel to a heart that's true
Don't be cruel to a heart that's true
I don't want no other love
Baby, it's just you I'm thinkin' of

Don't stop thinkin' of me
Don't make me feel this way
Come on over and love me
You know I want you to stay

Don't be cruel to a heart that's true
Why should we be apart?
Baby, you know I love you, cross my heart

Don't be cruel to a heart that's true
Don't be cruel to a heart that's true
Don't be cruel to a heart that's true
Don't be cruel to a heart that's true
I don't want no other love
Baby, it's just you I'm thinkin' of
