I dig go go girls  
??????? and Geisha girls  
TVs and entertainers  
Movie stars and cop persuaders

I love a good drink  
I drink 'til I sink  
No one can speak to me  
I love a good drink

How come I am really such a bore?

I dig racist movies  
Jungle bunnies, lips and coonies  
Indians who bite the dust  
General Custer shouldn't have lost

I read all the latest  
Go steal the  
He can name the presidents  
The latestÃ,Â ?, and current events

How come I am really such a bore?  
How come I am really such a bore?

Maybe I'm an idiot?  
Maybe I'm just craaaaaazy.  
Maybe I'm intelligent  
Maybe I'm a lunatic
