Love comes 'round just in time
Something that's hard to find
Oh, no one knows
What I've been goin' through

Same old song, how does it go?
Same old line, is it all we know?
And love comes 'round
In time to rescue me

Oh love, love comes 'round just in time
Love comes to save my heart
(Save my heart)
Oh love, love comes 'round
Love comes to save my heart
(Love comes 'round)

Love comes 'round just in time
Something that's hard to find
Oh, kiss me now
You know I want you to

Oh love, love comes 'round just in time
Love comes to save my heart
(Save my heart)
Oh love, love comes 'round, yes, it does
Love comes to save my heart
(Love comes 'round)

Sometimes it slips on in slowly
Sometimes it makes itself lonely
Under the cover of darkness
Sometimes it feels, oh, so heartless
Oh, love
(Love comes 'round)

Save my heart, love comes 'round
(Love comes 'round)
(Love comes 'round)
Yes, it does

Love comes to save my heart

(Save my heart)
Oh love, love comes 'round
Love comes to save my heart
(Love comes 'round)
Love comes 'round
Love comes to save my heart
