I don't need no money, honey
Fortune or fame
'Cause I got all the riches, baby
That one man can claim

So take off your coat and close the door
Forget your foolish pride
I'm not afraid of fallin' down
Or stayin' up all night

You're gonna see it my way now
Don't try to bring me down
(My life's a circus, an insane chain of circumstances)

I never had a lot to lose
I never let it slow me down
I never had a lot of love now, honey
Never had a lot to lose

I can't explain the time it takes
To make you understand
I know you'll get to like it
If you only take a chance

I hope I get some time tonight
To see you comin' 'round
What can I give you in return
For one night on the town

You're gonna see it my way now
Don't try to bring me down
(My life's a circus, an insane chain of circumstances)

I never had a lot to lose
I never let it slow me down
I never had a lot of love now, honey
Never had a lot to lose

But not till daylight, not till daylight
Not to daylight, daylight, daylight
Daylight, daylight, daylight, daylight
Daylight, daylight, daylight, daylight

I tried to tell you
It's a pain you can't hide
My life's a circus
An insane chain of circumstances

I never had a lot to lose
I never let it slow me down
I never had a lot of love now, honey
Never had a lot to lose

I never had a lot of love
I never had too much money
I never let it slow me down now, honey
I never had a lot to lose

Never had a lot to lose
Never had a lot to lose
