O Claire

Bye bye love goodbye  
See you on the other side  
Bye bye love goodbye  
I'll see you on the other side

Hurry on home to bed  
O Claire you're much younger than I'd ever hoped to be  
O Claire it's so lonely when you're not there  
Anyone can take me where  
The places that they weren't there  
O Claire

I hear your heart from here  
But now you're much stronger than I'd ever hoped to be  
I swear gone a place beyond compare  
So lonely when you're not there  
I'm content to watch and stare  
O Claire

Just between the 2 of us  
Something 'tween the 2 of us  
Is more than just the 2 of us  
Just between the 2 of us  
O my love goodbye  
O my love goodbye

Hurry on home to bed  
Claire you're much stronger than I'd ever hoped to be  
O Claire the nights when you're not there  
Is more than I can bear  
Something only we can share  
O Claire

Just between the 2 of us  
Something 'tween the 2 of us  
Is more than just the 2 of us  
Just between the 2 of us  
O my love goodbye  
O bye love goodbye

Bye bye love goodbye  
I'll See you on the other side  
Bye bye love goodbye  
See you on the other side  
Bye bye love goodbye

Just between the 2 of us  
Something 'tween the 2 of us  
It's more than just the 2 of us  
Just between the 2 of us  
O my love goodbye  
O my love

Bye bye love goodbye  
See you on the other side  
Bye bye love goodbye  
I'll see you on the other side
