Give me just a little bit (little bit mo') Just another try (to even up the sco') Give me just a little bit-AH (I wanna taste some mo') Give me just a little bit and then I need some more (Give me just a little bit and then I need some more)

Can I have a little bit-uh (a little bit-a-you A leetle bit more (A leetle bit mo' then a leetle bit mo') Who's that knockin' (knockin' at the do') It's just me like I said before (knockin at the do' like I said befo')
(Wow!) All I need is one more day
One more hour, one more way
I'll be in sunshine and here I'm gonna stay
Please let me stay
I'm askin' one more time
Just one more day

There I go I go again (to even up the sco')
Callin' in for more (callin' in for mo', callin' in for mo')
If I see a little bit-uh (can I see a little bit)
A little bit-o-this and a little bit more (a little bit-o-this and a little bit more)

All I need is one more day
One more hour, one more way
I'll be in sunshine and here I'm gonna lay
Please let me stay
I'm askin' one more time
Just one more day yeah

All I hear is no no no
One more hour and then l'll go
Deep inside you'll never find me again, find me again I'm never comin' back, comin' back again
(Instrumental)
(Yeah, yeah)

All I need is one more day

One more hour, one more way
I'll be in sunshine and here I'm gonna lay
Please let me stay
I'm askin' one more time
Just one more day
All I hear is no no no
One more time and then I'll go
Deep inside you'll never find me again, find me again
I'm never comin' back, for one more day yeah

Yeah yeah yeah
Woo-hoo
Yeah yeah...
