Stiff competition, if I go up you take me higher
Stiff competition, and when I'm down you take me
higher
Stiff competition all over the world
I screw you, you screw me, they screw us
Here we go again

Alright, we had so much fun
When we're together
When we're together
When we're together, now

I looked hard in your eyes
Oh, was it love at first sight?
It took me minutes, you're still waiting
Waiting for your turn
Your turn, it won't be long

Stiff competition, I worked hard every day of my life
Stiff competition, get it up, you take me higher
Stiff competition all over the world
The more I get, the more I like it
The bigger they are, the harder they fall again

Alright, we had so much fun
When we're together
When we're together
When we're together, now

I looked hard in your eyes
Oh, was it love at first sight?
It took me minutes, you're still waiting
Waiting for your turn
Your turn, it won't be long

Ahh, oh, no
Stiff competition
Stiff competition
Stiff competition
Stiff competition
(Ooo)
