I needed a girl to give me some love  
I need some love, gimme your love  
Gimme your love

I need a knife to give me a wife  
I need a knife, gimme your life  
Gimme your life

I need a gun to have me some fun  
I need a gun, (gimme your love  
Gimme your love)

I need some rope, it's my only hope  
(after twenty or so) i just don't know

(verse 1)

I was a lonely boy  
I was a lonely boy  
I'm not the only boy  
I was a lonely boy  
I was a lonely boy  
I'm not the only boy

(verse 1)

(verse 2)

I need some rope, it's my only hope  
And why you fight it so i just don't know

(verse 1)

I was the lonely boy  
I was the lonely boy  
I'm not the only boy

I'm not the only boy, no  
No no no
