I know, you know something's wrong  
Still, I gotta go home, he knows, she knows  
Shut all the doors and lock all the windows  
Heavy, heavy, heavy troubles

The house is rockin', still, I gotta go in  
Can't find the words 'cause they're so damned tough  
Actin' like fools that can't get enough  
Troubles yeah, I can't explain what I can't see

Oh boy, oh boy, the house is rockin', the house is  
rockin'  
Oh, boy, oh boy, non-stop, day and night, every day,  
every night  
Oh boy, oh boy, the house is rockin', the house is  
rockin'  
Oh boy, can't stop the fightin', no

He said, she said something's wrong  
Still, they're livin' at home  
We heard, we heard, sounded like the end of the world  
Heavy, heavy, heavy troubles

The house is rockin', still, I gotta go in  
Can't find the words 'cause they're so damned tough  
Actin' like fools that can't get enough  
Troubles yeah, I can't explain what I can't see

Oh boy, oh boy, the house is rockin', the house is  
rockin'  
Oh, boy, oh boy, non-stop, day and night, every day  
and every night  
Oh boy, oh boy, the house is rockin', the house is  
rockin'  
Oh boy, oh boy, can't stop the fightin', no

I know, you know, my world is in a spin  
You wanna come on in?  
He said, she said, it's bad for the children  
He went and bought a gun

Heavy, heavy, heavy, problems

Yeah, the house is rockin', still, I gotta go in

Oh boy, oh boy, the house is rockin', the house is  
rockin'

Oh, boy, oh boy, non-stop, day and night, every day  
and every night

Oh boy, oh boy, the house is rockin', the house is  
rockin'

Oh boy, oh boy, can't stop the fightin', no, no

Oh boy, oh boy

Oh boy, oh boy
