Watch it!

Just like the one's that got away,
Supposedly if so far.
I threw my hook into the water,
I nearly gotta.
House design now
[I'm up the creek]
Although I lost a little ground
[I'm up the creek]
I know that time is on my side
[I'm up the creek]
Don't you go pull the plug on me.
[I'm up the creek]
There more than one fish in the sea.
I'm not about to let it be.
I know that I am up the creek.

Hey, hey

The foreign legions always there. I need a holiday.
Daydream in the dessert, with no pressure, that's the
way, cause
[I'm up the creek]
Although I've lost a little ground.
[I'm up the creek]
I know that time is on my side.
[I'm up the creek]
Don't you go pull the plug on me.
[I'm up the creek]
There more than one fish in the sea.
I'm not about to let it be.
I know that I'm up the creek.

[I'm up the creek]
Without a paddle.
[I'm up the creek]

But that don't matter at all.
[No matter at all]
No matter at all.
[No matter at all]

[I'm up the creek]
Without a paddle
[I'm up the creek]
I'm learning to paddle it all,
[Don't mention at all]
[Don't mention at all]
paddle it all.
[Don't mention at all]

oh

Hey, hey

I'm, up the creek
I'm, up the creek
[I'm, up the creek]
Here I go! You want to go?
[I'm, Up the creek]
Help me! Help me! Help me!
[I'm, up the creek]
[I'm, up the creek]

Watch it! Wow!

[I'm, up the creek]
[I'm, up the creek]
