(Big up The Bridge!)

[Method Man]
All I hear is gun shots
Can I touch somethin? What the Blood Clot!?!
Nigga want Tical, make it happen
You know my fuckin style, fuck the rappin!
We can take it back to eighty-five
if you wanna start actin like you live
It's all good, I'm rollin' with my click
Owls, Backwoods and Phillies
Smokin cess blunts, mixed with illy
Got me flusted, now the whole world looks dusted
I'm in the area with the skill that never rusted (What?)
For real, nigga, touch it and you burn
When will motherfuckers learn?
What be spreadin like a germ? Haha, it's Meth, word
I be that early bird that got the worm and if you check it
I'm on point, like a fax machine you get the message
It's be no question it's them, bust the second guessin's
Keep your thoughts on your lessons
What the Blood Clot!?!
To tell the truth, you don't amaze me
Killa Hill Project, a Star Trek phaser couldn't phase me
What? Check the Raider Ruckus, fuck this

Smoke a Dutchmaster, have 'em screamin for the dutchess
Yeah, I gotta have it, so I strive to stack my papes
If I don't do it for mydelf, I'ma do it for Case
cuz that's my peoples, we givin you injections that be
Lethal
Weapons, when niggaz start the half steppin
Then I get evil
but don't let that negative vibe right there mislead you
I'm humble, a fuckin Killa Bee, far from bumble
I sting you *BZZZT* and I bring you
Thirty-six Chambers of head banger, bitch
Why I deal with? I think the mic's on the fritz
Faggot soundmen, they be sabotagin shit!
Look up in the sky, it's a bird, it's a plane...
Meth-Tical, let the whole world know my fuckin name
What the Blood Clot!?!

[Outro: Method Man, (RZA)]
