Lookin' out for something special
Something crazy to call my own
Worked all week
Now that it's over
Yes I'm ready to bring it on
Driving to me
It'll be easy
After all that's what it's for
If the fire's too hot
Get out of the kitchen
Or do it do it do it on the floor

So get out now
Before it's too late
Don't bring me down
Don't you wait too long

Wild wild women
Make the world go round
Wild wild women
Wild wild girls

Kick your heels
Set in motion
After all they never stop
Feels so good
Must be illegal
That's no reason to call the cops
She goes crazy
In the corner
Like some foward flash
No problems
No headaches
No troubles
That's the best

So come on now
Before it's too late
Don't bring me down
Don't you wait too long

Wild wild women

Never slow me down
Wild wild women
Wild wild girls

So get out now
Before it's too late
Don't bring me down
Don't you wait too long

Wild wild women
Got a hold on me
Wild wild women
Wild wild girls
Wild wild women
Make the world go round
Wild wild women
Wild wild girls
Will wild women
Never slow me down
Wild wild women
Will wild girls
