Y, O Y, Y, O Y can't I?
Be in love forever, O Y can't I
Be in love for ever and ever and ever
I wonder
Y, O Y, Y, O Y can't I?
Be in love forever

First thing you know is what you're looking for
Next thing you know is where you find it
You can't explain the pain of feelin' so alone
So I won't even try to tell you, no

Y, O Y, Y, O Y can't I?
Be in love forever, O Y can't I
Be in love for ever and ever and ever
I wonder
Y, O Y, Y, O Y can't I?
Be in love forever

Some days it hurts so bad, can't take it anymore
Those days and nights, they last forever
Some ways of feelin' good don't feel good anymore
They only mask your real feelings

Y, O Y, Y, O Y

Halfway up, halfway down
Won't you turn my luck around
Halfway here, halfway there
Say the words and I'll be there

Y, O Y, Y, O Y, can't I
Be in love forever, O Y can't I
Be in love for ever and ever and ever
I wonder
Y, O Y, Y, O Y, can't I
Be in love forever

Be in love forever
Be in love forever
Be in love forever
