Oh yeah, oh yeah, ooh

I'm gonna seal your fate, gonna knock down the door
Just to keep you in line, oh yeah
All the things you say, you know you're gonna pay
It's just a matter of time, oh yeah

Don't bet your life just to lose your mind, oh yeah

You want it, you got it now, you'll get it in time
I'm gonna seal your fate, look out 'cause I'm a bad
loser
And you'll get it in time

When I see your face or call you on the phone
But there's no reply, oh yeah
Time and time again, even all my friends
Tell me all of your lies, oh yeah

You really think that I'll just stand in line? Oh yeah

You want it, you got it now, you'll get it in time
I'm gonna seal your fate, look out 'cause I'm a bad
loser
And you'll get it in time

If you could walk in my shoes
You'd see why I'm in my box blues
My baby, baby's back
Gives me a heart attack, oh yeah

You want it, you got it now, you'll get it in time
I'm gonna seal your fate, look out 'cause I'm a bad
loser
And you'll get it in time

Baby, baby, baby, right in time
You want it, you got it now, you'll get in time
I'm gonna seal your fate

You want it, you want it, you want it
Baby, you want it now, you want it

You'll get it in time, I'm gonna seal your fate

Baby, baby, baby, right in time

You want it, you got it now, you'll get it in time

You want it, you got it now, you'll get it in time

Baby, baby, baby, right in time, you want it
