Pitbull aka Christian grey.
 But please, baby you can call me Christian gris.
 I'll make you fall in love.
 I'm a thief of the hearts.
 To me it's an art.

Baby your eyes don't lie.
 I can see you want a little bit of me.
 In your life.
 I can treat you like the princess you are.
 But behind closed doors.
 We can do it all.
 Ladies first, when I open doors.
 I got open mind, let me open yours.
 You can come see me while I'm on tour.
 But until then, besitos mi amor.

Watching you, watching me,
 Watching you, watching me,
 And I'ma give what you want right,
 Watching you, watching me,
 Watching you, watching me,
 And I'ma give what you want right.
