I know, I know that I'm in love  
(Yeah, baby)  
I know, I know that I'm in love  
(Say it one more time)

I know, I know that I'm in love  
(Yeah, yeah) and you're the  
Only one I'm thinking of

Listen, girl  
I feel the same way too  
I'm gonna live my whole life  
Loving only you

As days go by  
The pride of love will shine  
The love I got for you  
I call it super fine

And if you need me, baby  
You can count on me  
I'll be there in a hurry  
And that, I guarantee

Never thought that  
Love could be so grand  
But it's so wonderful  
I want you to hold my hand

Every single night  
Before I go to sleep  
I pray so hopefully  
That this love will keep

And if you need me, baby  
You can count on me  
I'll be there in a hurry  
And that, I guarantee

I know, I know that I'm in love  
(With my girl)  
I know, I know that I'm in love

(Come on and love me)

I know, I know that I'm in love  
(Yeah, honey) and you're the  
Only one I'm thinking of

Love bug bit me  
And that ain't no doubt  
So full of love  
It's pouring out

Just as long  
As one and one is two  
That's how long  
You got me loving you

And if you need me, baby  
You can count on me  
I'll be there in a hurry  
And that, I guarantee

I know, I know that I'm in love  
(Better believe me)  
I know, I know that I'm in love  
(Can't live without you)

I know, I know that I'm in love  
(Ooh, baby) and you're the  
Only one I'm thinking of

I know, I know that I'm in love  
(Come on and move me)  
I know, I know that I'm in love  
(Say it one more time)

I know, I know that I'm in love  
(Yeah, yeah)...
