You drive me out in space
Memories and flowers bloom
Inside my heart
It's so true, Oh so true

Everything with falsity
Can lead you to lies
Run as fast as you can
You cannot hide

Striving for someone
I cannot have
And it's you...oh it's you

I will not stop
Struggling for you

Hear me
Hear me

Breathe where the wind blows
Breathe where the wind blows
Breathe where the wind blows
Breathe where the wind blows

Took me to no desert
A place I don't deserve
My delusions came true...

You make me fly
Feel so free
You gave me strength
For myself to stay alive
It's so true, oh so true

Everything you gave me I'll treasure it like it's the only
thing that I have in my life
Memories and flowers bloom
Inside my heart
It's so true, oh so true!!!

Hear me

Hear me

Breathe where the wind blows (4x)

Took me to no desert
A place I don't deserve

My delusions came true...
