For so many years you've been lying to yourselves  
Overwritten the scripts  
Praying to your so called "Precious Stones"  
Making it your god  
Making you a fool  
Making it severely very hard to believe  
Aren't you ashamed of yourself?  
Aren't you ashamed of yourself?!!

'Cuz I think you are lying (3x)

Time to think  
Time to reflect  
Time to uphold the truth

I'm so tired of your stupid rituals  
You're just taunting me  
Following your own words  
Not his teachings  
I was once a believer of your institution, your Realm  
But I felt nothing  
Always searching for the truth  
But all you gave me were lies

But all you gave me were lies

And you keep on denying (3x)

Once a teardrop fell in my hands  
Once a believer of your stupid processions  
Murdered my faith

The world has taken, has taken you, taken you away  
The world has taken, has taken you, has taken  
The world has taken  
The world has taken, has taken you, taken you away  
The world has taken, has taken you, has taken  
The world has taken  
The world has taken, has taken you, taken you away  
The world has taken, has taken you, has taken  
The world has taken

And you keep on denying (3x)
