Write a letter, write another letter  
Write a letter, write another letter  
I'm sealing up this letter  
I just finished signing your name  
My friends would all be surprised  
If they knew I was playing this game  
I'll pretend it's a special delivery  
And just to give me a hint  
I'll use your favorite color  
Smear it with your favorite scent  
I know you think that I'm crazy  
But I can't lose what have I left  
So I've decided to write this letter  
And send it to myself  
So to make my story short  
In the mail box I will kiss  
This letter that I wrote  
And it's stamped with your lovely face  
When I'm alone  
And I need someone to talk to  
I talk to your picture  
Get me a pencil and paper  
And write all the things  
Say all the things I've heard you say before  
But with a little extra, extra read all about it?  
Sugar and spice  
I guess it makes me feel kind of nice  
I write a letter to myself  
Oh, write another letter to myself  
I write another letter to myself  
Oh, write another letter to myself  
When is a home when you're all alone  
It seems so full  
It seems so full  
And yet so empty  
Oh, I get my coat  
Leave you a note and go to the places  
Were we used to be  
I pretend you are there  
Order dinner for two  
Your presence is all in the air

( repeat )

I write a letter to myself, oh, write another letter to  
myself
