Hey hey
Cheetah Girls
Let's go get 'em

There ain't no getting me down today
The sun is shining, nothing's in my way
I grab my purse, call my girls
Right now it's for feeling good

I'm doing fine independently
I might be busy but I'm still free
Now is the time to unwind
Tonight I'm all [Incomprehensible]

So if you feeling it too, well come on
Do what you've got to do
Can't you hear that they're playing our song?
All you need is you
Don't be shy, get on the floor

I'm breaking loose tonight
I'm in the mood to get crazy
And the night is young, it's time to play
We're stepping out tonight
Can't tell me what to do, no way
'Cuz all I need is all in me

My eyes can only see the stars tonight
Ladies only, no boys allowed
Just having some fun
Don't want nothing from no one , that's right

So if you feeling it too, well come on
Do what you've got to do
Can't you hear that they're playing our song?
All you need is you
Don't be shy, get on the floor

I'm breaking loose tonight
I'm in the mood to get crazy
And the night is young, it's time to play
We're stepping out tonight

Can't tell me what to do, no way
No way

The time is now to let it out to scream and shout
You can't just follow everybody else
It's not so tough, just live and love
You gotta do it your own way, yeah

You gotta do it your own way, yeah
You gotta do it your own way, yeah
You got to do it your own way

I'm breaking loose tonight
I'm in the mood to get crazy
And the night is young, it's time to play
We're stepping out tonight
Can't tell me what to do, no way, no way

I'm breaking loose tonight
I'm in the mood to get crazy
And the night is young, it's time to play
We're stepping out tonight
Can't tell me what to do, no way
'Cause all I need is all in me
