everybody tells me to let it go, i think their crazy, they  
just dont know, i wish that they saw things the way that i  
do, im not that different im just like you

i still look for shelter when the rain starts to fall,  
sometimes i get mad over nothing at all, but i cant let it  
break me, gotta give it my all, if i stand for nothing  
then i fall

sometimes up, sometimes down, livin my dreams with  
my feet on the ground, im not perfect nobody is, i gotta  
break out this box ya tryin ta keep me in, woah, woah,  
livin my dreams with my feet on the ground, woah,  
woah, gotta break out this box ya tryin to keep me in

im my own burdin, gotta carry the weight, cant point  
the finger for my mistakes, wont let no one tell me who  
i should be, cuz at my i answer to only me

i still look for shelter when the rain starts to fall,  
sometimes i get mad over nothing at all, but i cant let it  
break me, gotta give it my all, if i stand for nothing  
then i fall

sometimes up, sometimes down, livin my dreams with  
my feet on the ground, im not perfect nobody is, i gotta  
break out this box ya tryin ta keep me in, woah, woah,  
livin my dreams with my feet on the ground, woah,  
woah, gotta break out this box ya tryin to keep me in

if i wait around and let somebody tell me how to live, ill  
be invisible, wont let you hold me back, wont let you  
keep me boxed in, even though

im sometimes up, im sometimes down, livin my  
dreams with my feet on the ground, im not perfect  
nobody is, i gotta break out this box ya tryin ta keep me  
in,

sometimes up, sometimes down, livin my dreams with  
my feet on the ground, im not perfect nobody is, i gotta  
break out this box ya tryin ta keep me in, woah, woah,

livin my dreams with my feet on the ground, woah,  
woah, gotta break out this box ya tryin to keep me in
