If there's a word of kindness from you
I've never heard it, nobody else but me
It's been around this lousy day until it's perfect
Just you wait and see

I'm gonna break through
I'm gonna have some fun, that's what I'm gonna do
We'll go without you
I'm gonna have some fun, that's what I'm gonna do

La la la la la, la la la la la
Don't bother me, I'm too busy havin' fun
La la la la la, la la la la la
Don't bother me, I'm too busy

If there's a key to the city of joy, I'm gonna find it
And no one can keep me out of the sun
And when the wind starts to come I'll never mind it
There was never a doubt

'Cause I have the power to change my life one day at a
time
Hour by hour, I'll be fine and I'll be alright

I'm gonna break through
I'm gonna have some fun, that's what I'm gonna do
We'll go without you
I'm gonna have some fun, that's what I'm gonna do

La la la la la, la la la la la
Don't bother me, I'm too busy havin' fun
La la la la la, la la la la la
Don't bother me, I'm too busy

'Cause I have the power to change my life one day at a
time
And hour by hour, I'll be fine and I'll be alright

I'm gonna break through
I'm gonna have some fun, that's what I'm gonna do
We'll go without you
I'm gonna have some fun, that's what I'm gonna do

If there's a word of kindness from you
I've never heard it, nobody else but me
It's been around this lousy day until it's perfect
Just you wait and see

I'm gonna break through
I'm gonna have some fun, that's what I'm gonna do
We'll go without you
I'm gonna have some fun, that's what I'm gonna do

La la la la la, la la la la la
Don't bother me, I'm too busy havin' fun
La la la la la, la la la la la
Don't bother me, I'm too busy
