There's a time when we all choose
To either quit or follow through
To just lose faith or trust your heart
To somehow lead you through the dark

You're not the only one who's dreamin'
And who needs help to carry on
We might get lonely but we're not alone

'Cause we are sisters
We stand together
We make up one big family
Though we don't look the same
Our spots are different

Different colors
We make each other stronger
That ain't ever gonna change
We're cheetah girls, cheetah sisters

Gotta do what we gotta do
Got the brains, got the power and we speak the truth
We're from everywhere around the world
So, ya best respect the cheetah girls

Dancin', singin' from our birth
Workin' hard for what we deserve
Trying not to break the rules
'Cause mama didn't raise no fools

It may seem we're only dreamin'
And we need help to carry on
It's good to know we're not alone

'Cause we are sisters
We stand together
We make up one big family
Though we don't look the same
Our spots are different

Different colors
We make each other stronger

That ain't ever gonna change
Believe it mister
We're cheetah girls, cheetah sisters

Someone's always there behind
To catch us if we fall

'Cause we are sisters
We stand together
We make up one big family
Though we don't look the same
Our spots are different

Different colors
We make each other stronger
That ain't ever gonna change
Believe it mister
We're cheetah girls, cheetah sisters
