Are you sure that you're up for this?
Do you think that you can handle it?
This is complicated
You might get frustrated

We got the moves that you never seen
Let me show you just what I mean
There's really no chance
That you can do all this

Can't keep up
Can't keep up
No

Try to keep up
Try to keep up
Yeah

Can't keep up
Can't keep up
No

(Oh no, uhuh, uhuh)
(Oh no, show me what you got)

Try to follow, watch me now
If you think that you know how
Then dance me
Dance me if you can

Get it together or fall apart
If you think it's not that hard
Then dance me
Dance me if you can

Dance me if you can
Dance me
Dance me if you can

I know you think that you're in control
But watch we move
'Cause this is how we roll

Work it just like this
Let's see you trying to do that

What's the matter?
Can't you figure it out?
'Cause you look confused, mixed up, no doubt
There's really no chance
That you can do our dance

Can't keep up
Can't keep up
No

Try to keep up
Try to keep up
Yeah

Can't keep up
Can't keep up
No

(Oh, oh, c'mon, c'mon)
(Yeah, yeah, show me what you got)

Try to follow, watch me now
If you think that you know how
Then dance me
(Dance me)
Dance me if you can
(Oh yeah)

Get together or fall apart
If you think it's not that hard
Then dance me
(Dance me)
Dance me if you can

Is that the best that you can do?
You're gonna have to try much harder
Now is the time to make your move

You know
Hey, hey, get ready
Hey, hey, let's go

That's right, aww
Here we go
Yeah, yeah, yeah

Try to follow, watch me now
If you think that you know how

Then dance me
Dance me if you can

Get it together or fall apart
If you think it's not that hard
Then dance me
Dance me if you can

Everybody wants to win
(Wants to win)
If you think you can handle it
Then dance me
Dance me if you can

Make it look easy
That's the way
(That's the way)
If you think you got what it takes
Then dance me
Dance me if you can
(Dance me if you can!)
