Follow me into my world

Let your worries fade with every step you take

Baby Whatcha' waiting for

Let the tango take control

Feel the music inside your soul (Oh)

My hand is out, just grab a hold

as time fade away

My arms will keep you safe

It's just you and me

Dancing in this dream

Whatever you do, don't wake me up

i know The feeling's real, i won't let it stop, no

Chorus:

Don't be afraid, take my hand

Forget the world

Will you dance, dance with me

Pudemos bailar eternamente

Trust in me, take a chance

Feel the Tango

When you dance, dance with me

Pudemos bailar eternamente

Now I have you next to me  
Everything is how it should be oh, yeah  
Baby, don't fight the feeling  
We're floating on the clouds  
If I could, I'd never come back down  
Baby just keep on groovin groovin'  
As time fades away  
My arms will keep you safe  
It's just you and me  
Dancing in this dream  
Whatever you do, don't wake me up  
I know The feeling's real, won't let it stop, no  
Chorus  
Dance with me  
(I'm dancing with you)  
For this moment in time  
(My dreams have come true)  
My darling just dance with me  
If for only one night  
Chorus
