Follow me into my world  
Let your worries fade with every step you take  
Baby whatcha waiting for?

Let the Tango take control  
Feel the music inside your soul, oh  
My hand is out, just grab a hold

Watch time fade away, my arms will keep you safe  
It's just you and me, dancing in this dream  
Whatever you do, don't wake me up  
I know the feeling's real, I won't let it stop, no

Don't be afraid, take my hand  
Forget the world, will you dance?  
Dance with me  
Podemos bailar eternamente

Trust in me, take a chance  
Feel the Tango when you dance  
Dance with me  
Podemos bailar eternamente

Now I have you next to me  
Everything is how it should be, oh, yeah  
Baby, don't fight the feeling

We're floating on the clouds  
If I could, I'd never come back down, no, no  
Baby, just keep on groovin', groovin'

As time fades away, my arms will keep you safe  
It's just you and me, dancing in this dream  
Whatever you do, don't wake me up  
I know the feeling's real, I won't let it stop, no

Don't be afraid, take my hand  
Forget the world, will you dance?  
Dance with me  
Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango when you dance  
Dance with me  
Podemos bailar eternamente

Dance with me  
For this moment in time  
My darling, just dance with me  
If for only one night

Don't be afraid, take my hand  
Forget the world, will you dance?  
Dance with me  
Podemos bailar eternamente

Trust in me, take a chance  
Feel the Tango when you dance  
Dance with me  
Podemos bailar eternamente
