Chanel

No one can hold us back when we're set to go  
go!

Aquanette

No one can tell us that we're not ready when we're  
ready to flow  
flow!

Dorinda

Lead by example

Here's a sample on the floor

Chanel

Yeah, try a little harder; move a little faster if you can't  
find

The strength you're after

Chorus:

Dig a little deeper, dig a little deeper  
Just like we had to do, just like we had to do  
You've got to dig a little deeper, dig a little deeper

Aquanette

We're celebrating like we never did before  
fore!

Dorinda

Went through the fire, took it higher, check the score  
score!

Chanel

If you wanna be a leader check your ego at the door

Aquanette

Yeah, be a trend setter, be a go-getter if you want to do  
Everything better

Chorus

All cheetahs

Don't ask the question, what it is you should do  
Just take some action, it'll come to you  
It's all connected all you have to do  
Is move baby, move baby, yeah, yeah, yeah  
You're on a roll, let it go, lose control

Don't you know it's the best thing you can do

Chorus (2x)

You've got to dig a little deeper, dig a little deeper
