Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never stay down  
Girl Power Girl Power!!

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never come too far  
Girl Power Girl Power!!

Galleria:

I've made mistakes before but I know I'm not perfect  
But It's okay 'cause who could ever be

Chanel:

As long as I did my best  
It don't matter what no one says  
'cause down in my heart I got the power to make it all  
happen

All:

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never stay down  
Girl Power Girl Power!!  
Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never come too far  
Girl Power Girl Power!!

Aqua:

At times I may just feel like  
my back is to the wall

Dorinda:I hold my head up high  
And keep on standin' tall

Galleria:

I know that my back is covered

Chanel:Because we have each other  
and we're down for whatever.  
If you hear me throw your hands up

All:

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never stay down  
Girl Power Girl Power!!  
Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never come too far  
Girl Power Girl Power!!

All:

Sometimes life may get you down  
But you better hold your ground  
Can't nobody live your life but you  
Stay true to who you are  
And always follow your heart  
Your heart, your heart

All:

Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never stay down  
Girl Power Girl Power!!  
Throw your hands up if you know that you're a star  
You better stand up if you know just who you are  
Never give up never come too far  
Girl Power Girl Power!!
