Intro (wordless vocals w/fuzz guitar) [2X]:

(spoken)

One month ago today
I was happy as a lark
But now I go for walks
To the movies - maybe to the park

And have a seat on the same old bench
To watch the children play (huh)
You know, tomorrow is their future
But to me, just another day

They all gather around me
They seem to know my name
We laugh, tell a few jokes
But it still doesn't ease my pain

I know I can't hide from a memory
?Though day after day I've tried
I keep sayin' she'll be back
But today again I lied

Verse 1:

Oh, I see her face everywhere I go
On the street, and even at the picture show
Have you seen her?
Tell me, have you seen her?

Verse 2:

Oh, I hear her voice as the cold winds blow
In the sweet music on my radio
Have you seen her?
Tell me, have you seen her?

Bridge:

Why, oh, why

Did she have to leave and go away [2: oh, yeah]
Oh-oh-oh, I've been used to havin' someone to lean on
And I'm lost
Baby, I'm lost (Oh)

[Repeat verse w/wordless vocal first two lines (2X)]

Verse 3:

Oh, she left her kiss upon my lips
But left that break within my heart
Have you seen her?
Tell me, have you seen her?

Verse 4:

Oh, I see her hand reaching out to me
Only she can set me free
Have you seen her?
Tell me, have you seen her?

[Repeat bridge]

[Repeat verse w/wordless vocal first 2 lines (4X)]

(spoken over 2nd and 3rd repeats):

As another day comes to an end
I'm lookin' for a letter or somethin'
Anything that she would send
With all the people I know
I'm still a lonely man
You know, it's funny
I thought I had her in the palm of my hand

Coda [repeat to fade]:

Have you seen her
Tell me, have you seen her (tell me, have you seen
her?)
