Oh pardon me now tell me would it offend
If I could talk and tell it all of my friends
How you belong to me

Just like a peace of jewellery I say I got you better
Around my little finger boy just like a toy
I never let you linger cause you can't annoy me

But you feel insecure
I think I think you would see

Now your feeling what a girl feels
Seeing how a girl deals
Tryin' keep you guys real
Don't ya know that I just want you to feel
Tonight don't ever forget
what you give is what you get
Now you're feeling how a girl feels

I'll pick you up an say I like how you dressed
What's on your mind you know a burden can last
Or how your day has being

You see it's not about your skill
It's all about you looks babe
People staring when we walk into a room
But how this guy is with me nothing left to proof

You see that's what you're here for
and nothing else babe

Now your feeling what a girl feels
Seeing how a girl deals
Tryin' keep you guys real
Don't ya know that I just want you to feel

Tonight don't ever forget
what you give is what you get
Now you're feeling how a girl feels

Know that I'll be pretty
And I stay so quiet

Knowing no one saw
That my IQ's higher than yours
And I can knock you to the ground
With my little finger

We ladies having quite con sense of play it cool
Respect believe try not to make a fool of you
And we don't feel insecure
but we think you would now

Now your feeling what a girl feels
Seeing how a girl deals
Tryin' keep you guys real
Don't ya know that I just want you to feel

What I'm feeling right
Now your feeling what a girl feels
Seeing how a girl deals
Tryin' keep you guys real
Don't ya know that I just want you to feel
Tonight don't ever forget
what you give is what you get
Now you're feeling how a girl feels
