If there's a prize for rotten judgment
I guess, I've already won that
No man is worth the aggravation
That's ancient history
Been there, done that

Who'd ya think you're kidding?
He's the earth and heaven to ya
Try to keep it hidden, honey we can see right through
ya
Girl ya can't conceal it
We know how you're feelin', who you're thinking of

No chance, no way, I won't say it, no no
You swoon, you sigh
Why deny it, uh oh
It's too cliché
I won't say I'm in love
(Ooh, ooh, ooh)

I thought my heart had learned its lesson
It feels so good when ya start out
My head is screaming, "Get a grip, girl!
Unless you're dying to cry your heart out!" Ooh, ooh

You keep on denying, who you are and how you're
feelin'
Baby, we're not lying, honey we saw ya hit the ceiling
Face it like a grown up
When ya gonna own up that ya got, got, got it back?

Woah
No chance, no way, I won't say it, no no
Give up, give in
Check the grin, you're in love!
You're doing flips read our lips, you're in love

You're way off base
I won't say it
Get off my case
I won't say it

No chance, no way, I won't say it, no no
Give up, give in
Check the grin, you're in love!
The scene won't play, I won't say I'm in love
You're doing flips read our lips, you're in love

You're way off base
I won't say it
Girl, don't be proud
It's okay, you're in love

No chance, no way, I won't say it, no no
Give up, give in
Check the grin, you're in love!
The scene won't play
I won't say, I'm in love

Ooh
At least out loud
I won't say, I'm in love
Sha la, la, la, la, la
(Sigh)
