It was Christmas Mornin'
Just got out of bed
Saw an amazing sight
Was it all just in my head?

Santa Clause was dancin'
He was dacing down
Presents filled my Living Room
There were reindeer flyin' 'round

Candy Canes and Chocolate Rainbows
Ohhhh, this

[Chorus]

This ain't no ordinary holiday
When you're havin' a party
With Santa in the house
This ain't no ordinary holiday
When you're sittin' by the fire
And there's a snow man chillin' out

Over in the kitchen
Cookies on a plate
Santa ate them one by one
Till he got a tummy ache

Rudolph and his reindeer
Rockin' down the tree
Santa turned the music up
Sayin' "C'mon dance with me"

Jingle Bells and Snowfaced Fraila
Ohhhh, this

[Chorus]

This ain't no ordinary holiday
When you're havin' a party
With Santa in the house
This ain't no ordinary holiday
When you're sittin' by the fire
And there's a snow man chillin' out

It's a holiday...
No ordinary Christmas...

When the song was over
Santa waved goodbye
In a moment he was gone
And he flew into the sky

Now I know that Santa
Really is no myth
Never be another day
Like the Santa 25th

Ohhhh...

[Chorus]

This ain't no ordinary holiday
When you're havin' a party
With Santa in the house
This ain't no ordinary holiday
When you're sittin' by the fire
And there's a snow man chillin' out
(Ohhh...)

This ain't no ordinary holiday...
(Ordinary holiday, oh, yeah, that's what I'm talkin'
'bout)
This ain't no ordinary holiday...
(Oh, can you hear me say Christmas? Christmas, yeah,
yeah, yeah, yeah)
This ain't no ordinary holiday...
(Holiday...)
This ain't no ordinary holiday...
This ain't no ordinary holiday...
